Accountability

Program results are reported to the United Way on a quarterly basis. We have the highest ratings for transparency, financial accountability, and management practices from Charity Navigator and Candid (formerly GuideStar).

UNITED IS THE WAY

Your generosity brings people, organizations, businesses, and community leaders together to create lasting change across the Southern Alleghenies.

Together, we strengthen the programs that help individuals and families thrive – from early childhood education to financial stability, health, and basic needs. Your support doesn't just fund solutions; it helps build a stronger community where everyone has the opportunity to succeed.

Because of you, last year we made a difference in the lives of more than 79,000 people across Blair, Cambria, and Somerset Counties. Together, we are creating a stronger Southern Alleghenies—one family, one opportunity, and one community at a time.

Here's What People Are Saying Malika

Diaper Bank Client

“The program (Diaper Bank) is amazing and it helps in so many ways. If you don't know, United Way is definitely a resource that can help you and get everything you need as far as diapers and wipes. As a working family, we still fall short sometimes, so all the diapers that we receive, it do help.”

Stephanie Next Step Center Client

“I struggled with addiction. I was in a halfway house and was ready to be discharged. I had no housing, so I called the Next Step Center, and they let me come there. There was definitely accountability, and I had to be proactive in finding a place. Finally, we found one and moved in. Ms. Becky and Ms. Karen really care about people. They were big motivators—they would always tell me, 'I got this.' Just awesome people.”

Helping Children Succeed

United is the Way to playful learning, combining movement, literacy, outdoor fun, and holistic child development.

Youth Opportunity

Mentoring, tutoring, and out-of-school time enrichment programs give students the opportunity to learn, grow, and build connections.

Meeting Basic Needs

United Way's SNAP at the Market and Food Pantry Program improve access to nutritious food across our communities.
